Privacy Policy

Last Updated: 2024.01.28.

During the use of website, The Door 8 Club Ltd. (hereinafter referred to as the Service Provider) handles the personal data provided to it in accordance with the applicable laws, with particular attention to the provisions of Act CXII of 2011 on informational self-determination and freedom of information. The Service Provider is committed to ensuring that all data processing related to its activities complies with this policy, current national regulations, and the expectations defined in the legal acts of the European Union.

Exceptions to this include data provided to subcontractors that are necessary for order fulfillment, such as information required for delivery to courier services.

1. General Data Processing Principles:

The data processing activities of the Service Provider are based on voluntary consent or legal authorization. In cases of data processing based on voluntary consent, individuals can withdraw their consent at any stage of the data processing. Certain legal requirements make the processing, storage, and transmission of specific data mandatory.

The data processing principles are in line with current data protection laws, including but not limited to the following:

- Act CXII of 2011 on informational self-determination and freedom of information
- Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 (General Data Protection Regulation, GDPR)
- Act V of 2013 - Civil Code (Ptk.)
- Act C of 2000 on Accounting (Számv. tv.)
- Act LIII of 2017 on the prevention and combat of money laundering and terrorist financing (Pmt.)
- Act CCXXXVII of 2013 on credit institutions and financial enterprises (Hpt.)

THE DOOR 8 CLUB

The Service Provider maintains confidentiality by protecting information so that only authorized individuals can access it. Additionally, it ensures the integrity of information and processing methods, safeguarding accuracy and completeness. Availability is ensured to allow authorized users to access the desired information when needed, along with the necessary tools.

8. Embedded Content from Other Websites:

Posts available on the website may use embedded content from external sources (e.g., videos, images, articles). Embedded content from other websites behaves exactly as if you visited another site. These websites may collect data about visitors, use cookies, or employ third-party tracking codes to monitor user behavior related to embedded content. If users have an account and are logged into the site, the embedded content's behavior may be tracked.

9. Liability:

The Service Provider excludes any responsibility for information stored, made available, or published by Buyers within the service framework. If the Service Provider becomes aware that a Buyer is providing personal data of another person without their consent, violating the rights of a third party or breaching laws, or using personal or other data unlawfully acquired during the use of the service, the Service Provider will take necessary steps for compensation and legal action to hold the Buyer accountable.

10. Other Provisions:

Buyers are informed that authorities such as the court, prosecutor's office, investigative authority, administrative authority, the National Authority for Data Protection and Freedom of Information, the Hungarian National Bank, or other organizations authorized by law may request information, data disclosure, transfer, or provision of documents from the data controller. The Service Provider will provide personal data to authorities only to the extent necessary for the realization of the request, as specified by the authorities, while respecting the purpose and scope.

11. Modification:

The Service Provider reserves the right to modify this Privacy Policy.
